## **WELCOME MAY!**

Dear Friends,

Hope you are all well and making it through this pandemic alright. Being in the vulnerable age group, we should take extra precaution. You are hearing from me this month as our President is currently under the weather – please get well soon, Connie!

This is a great time for us to improve on our painting skills and go out of our comfort zone and try new things. As artists we are blessed to enjoy time by ourselves and be creative. I have been challenging myself to do different styles and trying out new things. Keeps our mind occupied.

**Our meeting for the month of May has been cancelled in accordance with state regulations.** Hopefully, all will be well so we can meet in June for Robert Warren's seminar. Additional information will be forthcoming later this month once we confirm we can go forward with the workshop. Photos of the paintings we will be doing are on our website at: <https://www.bluegrasstolers.com/>

Spring is here and it is getting warmer so that gives us more time to spend in our gardens. Take care you all and be safe – wear a mask when you go out.
