Room Reservations: Each person is responsible for making her own room reservation. There is an additional charge for more than 2 people in a room. For reservations, call 1-800-325-1709. A block of rooms is being held for us, so let them know that you are with Bluegrass Tolars.

Early Bird Registration: Wednesday evening. At that time you may pick up your nametag and goody bag. Hope to see you there!

Boutique: We are setting up the "Bluegrass Tolars Boutique" again this year. Bring painted items, Christmas ornaments, or craft items you would like to sell. The two main requirements are that you price your own items and that you give 20% of your profit to the club. We are trying to advertise the retreat to Lake Cumberland guests so they may have an opportunity to buy gifts for families and friends. **(See our website or the end of this catalog for forms to complete.)**

Social Painting: Social Painting is something new in the decorative art world. The Tolars had one Social Painting event this year and it went so well, we hope to have an event on Friday evening at the retreat. We plan to invite those from the lodge and surrounding area to participate. Feel free to invite those you know to attend. **(See more information about this later in the program.)**

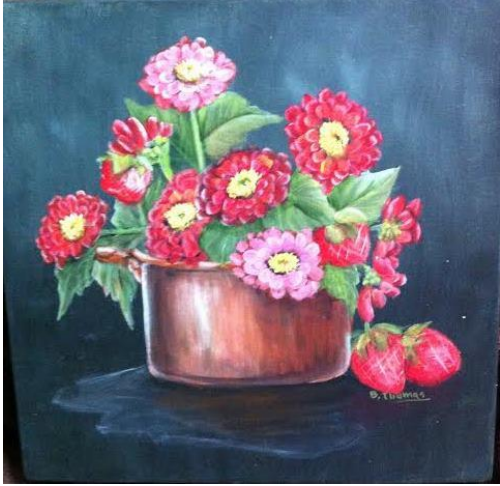

Make It Take it Tables: Tables will be available for those who wish to make-it, take-it projects for our event. Please indicate at the bottom of your registration form the number of tables you wish.

Art Exhibit: You are invited to bring your artwork for display. Due to limited space, there is a 5 piece limit. Please provide easels for your work and price those items that are for sale in the boutique.

Class Fees: Class fees are paid directly to the teacher. If you register for a class, you are responsible for paying for the class. You may sell the class to someone else, but you may not drop the class without paying the class fee. If not enough members register for a particular class, the teacher has the option to drop the class.

Biographies of Our Retreat Instructors

Mina McLean

She has always loved art and "doodling." She really got serious when she had her daughter and wanted to paint special clothes and other items for her. She started on her own and learned the hard way through "trial and error." Over the years she has been very fortunate to have painted under and with many great artists. She has strived to achieve some of the expertise each had. She loves art of all kinds; loves it even more sharing it with others and seeing the "light" come on in their eyes. She is a Dorothy Dent certified instructor, DecoArt Helping Artist, a member of SDP and 5 Artist Clubs.

Mark Polomchak

Born and raised in Northwestern Indiana, Mark now resides in Crown Point, Indiana with his two sons, Adam and Andy. A 1975 graduate in Fine Arts at Indiana University, Mark has exhibited his watercolors in various art shows and galleries throughout the United States and Canada. Prior to attending Indiana University, he spent two years pursuing a career in music at Franklin College before giving into his true calling –watercolors.

Mark is a member of Indiana Artists –Craftsman, the Hobart Art League, the Chesterton Art League, and the Ann Arbor Guild of Artisans. He demonstrates and holds seminars for art leagues and private groups upon appointment.

Byrle Thomas

Byrle is an Army Brat. She's lived all over the USA and 3 years in Paris, France. She graduated from UK and has a Masters from Western KY. Byrle married her husband, Walker, 50 years ago and they have a 200 cow dairy farm. She taught school for 27 years. She has 3 grown children: Karen is president of Ursuline Girls Academy in New Orleans, Teresa is a lawyer in Elizabethtown, and Walker Jr. has his own farm and also farms with his father. She has 9 grandchildren and loves to paint.
