Check Out

Room Reservations: Each person is responsible for making her own room reservation. There is an additional charge for more than 2 people in a room. For reservations, call 1-800-325-1709. A block of rooms is being held for us, so let them know that you are with Bluegrass Tolars.

Early Bird Registration: Wednesday evening. At that time you may pick up your nametag and goody bag. Hope to see you there!

Silent Auction Baskets: We plan to have baskets to auction off again this year. This is a real money maker for the club. Everyone is asked to donate a basket with a \$20 value to be auctioned off. If more than one person wants to go in on a basket together, we ask that its value not exceed \$50. If you are unable to get a basket together, it is expected that you make a \$20 donation when you register.

Boutique: The "Bluegrass Tolars Boutique" will be available again this year. Bring painted items, Christmas ornaments, or craft items you would like to sell. We ask that you donate 20% of your sale price to the club. **However, the boutique is changing a little this year.** Tables will be available to those who wish to sell items. You are responsible for everything regarding your items: pricing, arranging, selling, clean-up. The club will have bags you may put sold items in for customers. We want to continue to offer this opportunity for all who are interested. Please indicate the number of tables you wish at the bottom of the registration form.

Make It Take It Tables: Tables will be available for those who wish to make-it, take-it projects for our event. Please indicate at the bottom of your registration form the number of tables you wish.

Art Exhibit: You are invited to bring your artwork for display. Due to limited space, there is a 5 piece limit. Please provide easels for your work and price those items that are for sale in the boutique.

Class Fees: Class fees are paid directly to the teacher. If you register for a class, you are responsible for paying for the class. You may sell the class to someone else, but you may not drop the class without paying the class fee. If not enough members register for a particular class, the teacher has the option to drop the class.

Biographies of Our Retreat Instructors

Mina McLean

She has always loved art and "doodling." She really got serious when she had her daughter and wanted to paint special clothes and other items for her. She started on her own and learned the hard way through "trial and error." Over the years she has been very fortunate to have painted under and with many great artists. She has strived to achieve some of the expertise each had. She loves art of all kinds; loves it even more sharing it with others and seeing the "light" come on in their eyes. She is a Dorothy Dent certified instructor, DecoArt Helping Artist, a member of SDP and 5 Artist Clubs.

A 1975 graduate in Fine Arts at Indiana University, Mark has exhibited his watercolors in various art shows and galleries throughout the United States and Canada. Prior to attending Indiana University, he spent two years pursuing a career in music at Franklin College before giving into his true calling -watercolors.

Mark is a member of Indiana Artists -Craftsman, the Hobart Art League, the Chesterton Art League, and the Ann Arbor Guild of Artisans. He demonstrates and holds seminars for art leagues and private groups upon appointment.

Sandra Reynolds

She was born and raised in St. Louis, Missouri, and was interested in art and painting at a very young age. She started really learning how to paint 15 years ago when she walked into a hobby store and saw that they had art lessons and signed up for oil painting lessons. For my first 5 years, she was taught by a certified Dorothy Dent instructor. She took portrait classes and various seminars with different national artists, such as Elizabeth Robbins, Mary Carol, Sherry Nelson, Bill Bayer, Janelle Johnson, Pat Lentin, Karen Patton, Mary Gibilisco etc. She opened her own studio in 2009 and started teaching and loves to give instruction so everyone can be their own artist. She belongs to SDP, Gateway Decorative Artists and Kentuckiana Decorative Artists . She has a SDP certificate Part1 with SDP and is a Certified Instructor with Mary Gibilisco.
