This month's project will be taught by Mary Lou Payton. Everyone is to **bring their own prepped surface** to design and paint. We will be painting in the whimsical, funky style of Shara Reiner. Patterns and paints will be provided. You are to bring an item from your stash; something you've picked up at Goodwill/consignment shop, items to upcycle, etc. Samples in the pics are: papier mache boxes, a plastic magazine container, and an old cosmetic case. She is in the process of working on an old tin tray and will post that pic when completed.

Google Shara to see her projects and get an idea for your design. Notice her background colors and other vibrant colors she uses. Also notice the stroke work. Be creative; bring your own ideas for a fun, relaxing project. Bring regular acrylic supplies, an assortment of flat (#2-#8), round (#2/#3), and filbert brushes. If your surface is plastic/metal, Mary Lou suggests using a spray paint. As for color, choose your own. It will be fun to see the variety.
