Happy Fall!

Welcome to the last days of summer. Labor Day and the weeks prior have definitely been hot and humid. Enjoy these days too but let's prepare for a beautiful fall; what do you say? ☺

Thanks to Sowmya for a great painting of the high cast blueberry. I know everyone enjoyed the day. Also, thanks to Bettye Maples and Shirley Peachee for a delicious lunch.

Rose is teaching this month and her project and supply list can be found on page 2 of the newsletter and on our website:

www.bluegrasstolerers.com. We look forward to her teaching us. Please let me know as soon as possible if you plan on attending so she may properly prepare for the class. Marshaclark1300@yahoo.com.

Class Day: Thursday, September 20, 2018

Class Time: Begins at 9:30 AM so arrive early to set up.

Class Place: Versailles/Woodford County UK Extension Office

Lunch Plans: **Mary Lou, Elaine, and Sue are signed up to bring lunch.**

Also, please come prepared to discuss the final details for our Annual Retreat. Our theme this year is: **You Toucan can Paint!!** October will be here before we know it. Mark Polomchak will teach on Thursday and Friday and we have some classes for you on Saturday and make-it-take-it tables too. Please call Lake Cumberland to make your reservations.

One more thing!!!! - We have 3 beautiful paintings from Mark Polomchak (1 framed and 2 that are double matted). We will be selling \$5 chances to win one. Our chapter friends at KDA, LCDA, and BGT can begin selling tickets for a chance to win. We will post the pictures on our website.

(NOTE TO CHAPTER PRESIDENTS: You can purchase tickets at the Dollar Tree to sell. Please talk these beautiful prints up and sell, sell, sell.)

We will discuss new officers at the September meeting. We need new blood to carry us into 2019. Looking forward to seeing who steps up!! It's been a great experience for me as President and I'm sure I can speak for the other officers as well, but we need to have new ideas. Let's all work together!
